The NSW Government is progressing with the development of the F6 Extension Stage 1 between the New M5 Motorway at Arncliffe and President Avenue at Kogarah.

Roads and Maritime Services will be carrying out investigation works at the intersection of Princes Highway and President Avenue, Rockdale.

We have included a map to show the location of the work.

**The work**

The investigation work will involve drilling small sections of the road, lifting out the cut sections, and testing the road surface material. Once completed the cut sections will be reinstated.

**Our work schedule**

We will be on site for up to four night shifts between Monday 8 April and Wednesday 24 April, weather permitting. We will not be working public holidays.

Our night work hours will be between:

- 9pm and 4am, Monday to Wednesday

**How will the work affect you?**

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by 1am.

Only low noise reverse alarms will be used on trucks. Vehicles and machinery will be switched off when not in use.
Traffic changes
There may be temporary traffic changes during our work hours to ensure the work zone is safe. The work has been scheduled at night time to minimise traffic disruptions. There may be some parking restrictions on West Botany Street to accommodate the work vehicles.

Lane closures may be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers directions.

For the latest traffic updates, you can call 132 701, visit www.livetraffic.com or download the Live Traffic NSW App.

Location of work on Princes Highway and President Avenue, Rockdale

Thank you for your patience while we complete this important work.
