Investigation work for Brighton Memorial Playing Fields, Brighton-Le-Sands from Monday 13 May

Roads and Maritime Services is carrying out drainage investigation work along Crawford Road at Brighton Memorial Playing Fields.

We have included a map to show the location of the work.

The work
The investigation work will involve surveying and inspecting drainage to understand the current surface conditions and drainage.

Our work schedule
We will be on site between Monday 13 May and Friday 28 June, weather permitting. We will not be working public holidays.

Our hours are between:
• 7.30am until 5pm for up to 12 day shifts; and
• 9pm until 5am for up to nine night shifts.

No more than two consecutive nights of work will take place.

How will the work affect you?
Our work may take up some space next to existing drains and a wet vacuum truck will be used. However, we will do everything we can to minimise impacts to the community, including completing the noisier tasks by 1am.

Only low noise reverse alarms will be used on trucks. Vehicles and machinery will be switched off when not in use.
Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. These temporary traffic changes will be along Crawford Road and O’Neill Lane.

Two way traffic and resident access will be maintained at all times. Please follow the direction of signage and traffic controllers.

Location of investigation work at Brighton Memorial Playing Fields, Brighton-Le-Sands

Thank you for your patience while we complete this important work.

If you have any questions, please contact the F6 Extension project team.
