The Grand Parade and President Avenue, Brighton-Le-Sands: Project update

The NSW Government provided funding for this project as part of its $300 million Gateway to the South Pinch Points program which will improve traffic flow on Sydney’s key southern road corridors by upgrading major intersections.

In December 2016, Roads and Maritime Services finished major construction to improve traffic flow on The Grand Parade onto President Avenue.

Installing an additional right turn lane at the intersection of The Grand Parade and President Avenue will increase vehicle movements turning right into President Avenue and improve traffic flow and capacity for vehicles travelling in the through lane southbound on The Grand Parade.

The work undertaken for the project has included:

- underground utility investigation
- setting up the site compound and signage
- setting up pedestrian management and protection of trees
- trimming eight Norfolk Pines on The Grand Parade
- relocating the bus stop on The Grand Parade to about 100 metres south of President Avenue
- removing about nine car spaces on the eastern side of The Grand Parade
- excavation, kerb and gutter adjustments and road widening for a new right turn lane
- relocating and upgrading traffic lights, street lighting and underground utilities
- installing pedestrian fencing along The Grand Parade centre median between President Avenue and Banks Street
- improving existing pedestrian ramps
- repairing drainage
- removing and replacing asphalt
- line marking.
During the coming months, the project team will complete the final stages including landscaping, the removal of the project sites and other minor work.

This work will take **six shifts** to complete between **Wednesday 22 February** and **Sunday 12 March**, weather permitting. Our working hours will be from **8pm** to **5am**, between **Sundays** and **Fridays**.

Thank you again for your patience throughout construction. Your support is important as we continue to deliver safer and more efficient journeys throughout NSW.

**Contact**

Please call our delivery partner Ventia Boral Amey Joint Venture on 1800 677 700 or email nswagenquiries@vbajv.com.au if you have any questions about this work.
