Start of work on The Northern Road upgrade, between Eaton Road and Littlefields Road, Luddenham

Roads and Maritime Services will now start major work on The Northern Road between Eaton Road and Littlefields Road, Luddenham. Over the past few weeks, we have been working on utility investigation and relocation, installing traffic control measures, ecology and material inspections and property adjustments.

As part of the major work, we will carry out the following work across the project area:

- adjusting property boundaries and relocating fencing
- investigation work including geotechnical, land and property and property condition surveys
- tree clearing
- removal of structures
- general excavation, earthworks and road pavement work
- set up of traffic control measures
- adjusting utilities
- line marking
- general maintenance of work area.

This work will take place along The Northern Road and side streets between Eaton Road and Littlefields Road, Luddenham. We have included a map to show the work location.

Work will generally take place between 7am and 6pm Monday to Friday and 8am to 1pm on Saturday throughout the project. If we need to work outside of these hours we will inform you if the work is likely to impact you.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise noise by:

- adapting our construction methods to reduce noise impact as much as possible
- arranging work in stages at different location.

Traffic changes

There may be some temporary traffic changes to ensure the work zone is safe for workers and motorists. Please keep to the displayed speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or concerns, please contact the project Community Manager on 1800 703 457 press 1 then press 5 or email thenorthernroad@rms.nsw.gov.au
